

How Are You Countering Low Market Prices?

A green combine harvester is shown from a side-rear perspective, unloading a stream of golden grain into a green trailer. The harvester's long auger extends from the left towards the center. The background is a bright, hazy sky with a faint white line graph overlaid, suggesting market trends. The overall scene is set during what appears to be sunrise or sunset, with a warm, golden light.

Do You Have Control Over Your Yields?

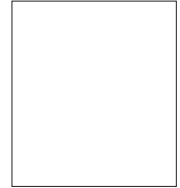

ROD OSTHUS

300 Bushel Corn
YIELD SPECIALIST

P.O. Box 206
Olivia, MN 56277

I can help get you where you want to go.

- 100,000+ Hours Crop Production Experience
- Bachelor of Science in Agronomy/
Plant Science from SDSU
- Registered Seed Technologist

**I will be stopping by to see where
you want to take your yields!**
